# Daily Checklists

## Do more with Wisetail.

Our Daily Checklist Tool consolidates important records typically scattered across spreadsheets and handwritten logs, into a single digital tool. Deploy the Daily Checklist Tool for a scalable solution that brings communication, learning, and operations under one roof.

### POWER IN SIMPLICITY

#### Work Smarter

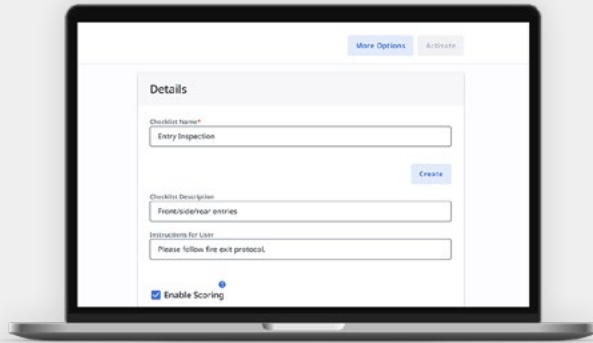

All of your training, communications, and operations united on a single consolidated platform.

#### Auditing and Compliance

With visibility across all levels of your organization, you're able to easily handle employee compliance, and reliably manage and track quality control.

#### Sustainable Solutions

Reduce paper, printing, and physical storage needs.

### HOW IT WORKS

#### Media Uploads

Employees can upload photos to help you ensure consistency across all locations from any device.

#### Multi-User Completions

Interruptions happen. Save your progress, or pick up where a colleague left off.

#### Seamless Experience for Admins & Users

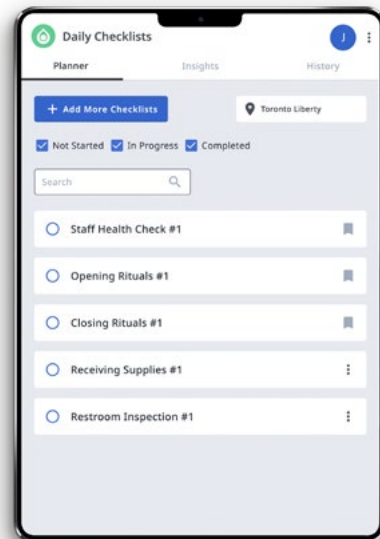

Wisetail's intuitive design drives adoption and engagement.

#### Four Configurable Question Types

Asking the right questions is as important as having the right answers.

#### Visibility & Tracking

Dashboards show progress and scoring to admins and users alike.

Wisetail is here to empower you. Our core LMS features strengthen and streamline your people operations. Now we've added a Daily Checklist Tool that gives you greater visibility into daily functions, and the creativity to reach your business goals.
